Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than sixty years combined experience with successfully developing, marketing, manufacturing, designing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are dedicated to giving new design concepts and top quality in order to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They enjoy providing products that energize both their partners and their dealers and provide production gains to their clients.

The TREK team of staff enjoys new tasks and new challenges. They are very proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and needs combined with their comprehension of cleaning applications, along with owners' strong desire to considerably reduce cost through productivity gains.

The employees at TREK and their dealer-partners are strongly devoted to having both technical support and parts available when it is required. Their high service commitment is among the core values in their customer service. Keeping their customers' cleaning machines ready and functioning on a daily basis is top priority. The company's top of the line technology delivers dependable machine that ultimately lessens your cleaning cost. The service, the product and the price all work as one in order to make them the leader in the trade.
